

Stand Alone  
(Arizona Cactus Chorus)  
Music and Lyrics by Greg Amerind (c) 2000

We start, each of us guided by the heart,  
Advancing slowly  
Seeking confidence,  
With no pretense.  
It makes no sense, but still...

...We try teaching each other how to fly  
(We fly)  
And with each passing moment we can see  
Our destiny.  
It sets us free!

Stand up  
And roar like a lion!  
Stand up  
With the power of one.  
Stand up, stand tall.  
We will never fall.  
All for one, one for all,  
Stand alone.

Begin, and then continue lose or win.  
Although we may not know just what to do,  
Our course is true,  
We follow through with hope.

Fight on! Until the darkness turns to dawn.  
Facing the tempest of the ocean's gale,  
We must not fail,  
So set your sail!

Stand up  
And roar like a lion!  
Stand up  
With the power of one.  
Stand up, stand tall.  
We will never fall.  
All for one, one for all,  
Stand alone.

Don't wait for somebody else,  
Be the first to heed the call.  
That's how our dream of peace comes true.  
Don't waste another minute,  
Whatever you can dream, or do,  
Begin it.  
Now is the time,  
Here is the place,  
Let's be the ones who...Stand Up!

And roar like a lion!  
Stand up  
With the power of one.  
Stand up, stand tall.  
We will never fall.  
All for one, one for all,  
Stand alone.
