(T/B – continuous chanting)

Dare to dream, dare to dream, dare to dream

(continues underneath other voices)

I am my own believer,  
In my heart, the reason,  
Now I follow the light from within.  
I'm not afraid of weakness,  
I'm gonna taste the sweetness  
Of the power not to give in.  
Oh I will see it through.  
I believe this is my moment,  
My moment of truth.

Dare to dream, dare to fly.  
Dare to be the heir, the chosen one  
To touch the sky.  
Dare to reach, dare to rise.  
Find the strength to set my spirit free.  
Dare to dream.

I will go the distance, embrace  
resistance,  
I will lay my soul on the line.  
And when the wait is over  
And the hunger is spoken,  
If I give my all, I will shine!  
Oh I will see it through.  
I believe this is my moment,  
My moment of truth.

Dare to dream, dare to fly.  
Dare to be the heir, the chosen one  
To touch the sky.  
Dare to reach, dare to rise.  
Find the strength to set my spirit free.  
Dare to dream.

And my heart will rise like the sun.  
A million voices together as one.

I am opening  
I am opening up  
(repeat many times)

Oh I will see it through.  
I believe this is my moment,  
My moment of truth.

Dare to dream, dare to fly.  
Dare to be the heir, the chosen one  
To touch the sky.  
Dare to reach, dare to rise.  
Find the strength to set my spirit free.  
Find the strength to set my spirit free.  
Find the strength to do what I believe  
Dare to dream.

(Spoken in a loud whisper)  
Dare...to dream.
